

‘GREEN DRINKS’ NETWORK

A number of people from Winkleigh and surrounding area have been keeping in touch with each other to share information and ideas. We are people who are interested in a broad range of environmental issues, from carbon reduction to birds and mammals and growing our own food.

Over the past seven years, several projects have been started by members of the 'Green Drinks' network. This included a monthly recycling event run by volunteers and a community recycling facility, where we collected mixed plastics, bottles, cardboard and re-usable clothing. Since then we have lobbied Torridge District Council to improve kerb-side recycling.

We are involved in the Winkleigh Community Plan Action Group, which is implementing the Winkleigh Community Plan. There is also a group maintaining a biodiversity conservation area near the Sports Centre. We are an informal network, rather than a club or society. We meet occasionally and keep in touch by email.

We have no membership, no committee and everyone is welcome to join us. If you would like to be involved, or come along to our occasional social evenings in the pub, please contact Kim J Melhuish via Facebook.
