

WINKLEIGH SNOOKER CLUB

Winkleigh Snooker Club has been in existence for many years and has the reputation of being the place to play and learn to play snooker. Accommodated as part of the Winkleigh Leisure centre, the club has two full size snooker tables and one pool table. The club has a junior section where youngsters of varying ability are taught and encouraged to apply their skill, and a senior section where a team is entered in a local snooker league. Tables are available on a daily basis, with some restrictions, from 8am to 11pm. Access to the club is provided as part of a membership scheme, the details of which are available via club or committee members. Contact details of committee members are displayed outside the club
